

NEW PRODUCT RELEASE (2007-03)

## Universal Sniper WET EFI Kits

AVAILABLE: NOW

### PRODUCT DESCRIPTION

You've asked for it...now NOS has it! NOS is pleased to announce its new 4- and 6-cylinder (p/n 07005NOS) and 8 cylinder (p/n 07006NOS) Universal Sniper® Wet EFI nitrous kits. A great complement to NOS' cutting-edge nitrous kits, the Universal Sniper EFI kits are great for budget minded builders who want the easy bolt-on power that made nitrous famous.

And, since it's made by NOS, the Sniper kits benefit from the experience of a proven nitrous company that consumers respect and demand.

Each kit comes with all components necessary for a simple installation.

### KEY FEATURES AND BENEFITS

- Exclusive NOS "Soft-Plume" Fogger nozzle finely atomizes the fuel for superior nitrous and fuel distribution
- Steel Bottle Brackets
- Stainless steel braided line
- Orange Sniper 10lb Bottle
